Henrik Kragh Sørensen

January 26, 2012

- 1996 *History and Philosophy of Mathematics*, Roskilde (DK), April 25 to 26, 1996.
- 1996* *2nd European Honours Course in the History of Mathematics*, Palermo (IT), September 2 to 20, 1996. Contributed paper: *The Catenary*.
- 1997 *Dansk Forskning i Matematikkens Historie og Filosofi*, Holbæk (DK), June 12 to 13, 1997.
- 1997 *Proof Theory: History and Philosophical Significance*, Roskilde (DK), October 31 to November 1, 1997.
- 1998 *New trends in the History and Philosophy of Mathematics*, Roskilde (DK), August 6 to 8, 1998.
- 1998 *The Wessel Symposium*, Kongelige Danske Videnskabernes Selskab, Copenhagen (DK), August 11 to 15, 1998.
- 1998* *9th Novembertagung in the History of Mathematics*, Nijmegen (NL), October 30 to November 1, 1998. Contributed paper: *Theorems with exceptions and the use of proof*.
- 1999* *Dansk forskning i Matematikkens Historie og Filosofi II*, Holbæk (DK), March 12 to 13, 1999. Contributed paper: *Niels Henrik Abel's matematik*.
- 1999 Co-organiser of *10th Novembertagung in the History of Mathematics*, Holbæk (DK), October 28 to 31, 1999.
- 2000 Invited to *History of Mathematics of the 20th century*, Mathematisches Forschungsinstitut, Oberwolfach (DE), January 30 to February 5, 2000.
- 2000* *Dansk forskning i Matematikkens Historie og Filosofi III*, Holbæk (DK), November 12 to 13, 2000. Contributed paper: *Aspekter af den matematiske brydningstid i begyndelsen af 1800-tallet*.
- 2000 *Meeting on Existence in Mathematics*, Roskilde (DK), November 24 to 25, 2000.
- 2002 *The Interaction between Mathematics, Physics and Philosophy from 1850 to 1940*, Carlsberg Akademi, Copenhagen (DK), September 26 to 28, 2002.
- 2002* *PHIS Graduate Conference 2002*, Odense (DK), December 2 to 3, 2002. Contributed paper: *Abel and the early 19th century change in the basic objects of mathematics*.
- 2003 Invited to *Mathematik im Kontext: Geschichte der mathematischen Wissenschaften in der frühen Neuzeit (16.–18. Jahrhundert)*, Mathematisches Forschungsinstitut, Oberwolfach (DE), January 5 to 11, 2003.
- 2003 *History of Science Popularisation: Users, Producers, and Sources*, Aarhus (DK), March 27, 2003.

An asterisk () after the year indicates a contributed paper; a † after the year indicates a submitted abstract.

- 2003* Co-organiser of *1st Nordic post-graduate workshop in the History of Science and Technology*, Bjer-ringbro (DK), May 1 to 4, 2003. Contributed paper: *Formula-Centred and Concept-Centred Math-ematics in the Early 19th Century*.
- 2003* Organiser of *Mathematics 1850–1920 — Modernity and Professionalisation*, Aarhus (DK), May 14, 2003. Contributed paper: *Mathematics in Denmark: Actor Groups, Objectives, and Means*.
- 2003 *BSHS Annual Conference 2003*, York (UK), July 17 to 19, 2003.
- 2003* *2nd International History and Philosophy of Mathematics Meeting*, Seville (ES), October 17 to 19, 2003. Contributed paper: *Niels Henrik Abel (1802-1829) and the Emergence of Concept-Centred Mathematics*.
- 2004* *Exploring the History of Mathematics: How do we know what questions to ask?*, Richmond, Virginia (US), May 12 to 15, 2004. Contributed paper: *Understanding Abel’s mathematics in a framework of formula-centred and concept-centred mathematics*.
- 2004* *4th STEP Meeting (Science and Technology in the European Periphery)*, Sandbjerg (DK), June 2 to 6, 2004. Contributed paper: *Formation of regional research traditions in mathematics in Scandinavia: national historiographies*.
- 2004* *3rd joint meeting of the BSHM and the CSHPM*, Cambridge (UK), July 9 to 11, 2004. Contributed paper: *Formation of regional research traditions in mathematics in Scandinavia: communities and communication*.
- 2004* Invited to *History of Differential Equations, 1670–1950*, Mathematisches Forschungsinstitut, Oberwolfach (DE), October 31 to November 6, 2004. Contributed paper: *Habituation and representation of elliptic functions in Abel’s mathematics*.
- 2004* *Science in Europe — Europe in Science (1st ESHS conference)*, Maastricht (NL), November 4 to 6, 2004. Contributed paper: *The use of historiography in the formation of Scandinavian mathematics*.
- 2004* *15th Novembertagung*, Utrecht (NL), November 25 to 28, 2004. Contributed paper: *Profession-alization of mathematics in Scandinavia: Mathematicians using the history of mathematics*.
- 2005* Co-organiser of *Science in Scandinavia around 1900*, Kristiansand (NO), May 9 to 11, 2005. Con-tributed paper: *The Abel Legacy, the Abel Centennial, and the shaping of Norwegian mathematics around 1900*.
- 2005 *La preuve en mathématique: logique, philosophie, histoire*, Lille (FR), May 24 to 28, 2005.
- 2005 *Henk Bos valedictory symposium*, Utrecht (NL), June 30, 2005.
- 2005 *Hansteen Symposium*, Oslo (NO), October 27 to 28, 2005.
- 2005* *16th Novembertagung*, Paris (FR), November 4 to 6, 2005. Contributed paper: *On fluid, yet fundamental, concepts in Abel’s mathematics*.
- 2005* *PHIS Graduate Conference 2005*, Sandbjerg (DK), December 2 to 3, 2005.
- 2005 Invited to *Mathematics in the Natural Sciences, 1650–2000*, Mathematisches Forschungsinstitut, Oberwolfach (DE), December 11 to 17, 2005.
- 2006* *Dansk Forskning i Matematikkens Historie og Filosofi V*, Holbæk (DK), March 9 to 10, 2006. Con-tributed paper: *Genus-begrebet fra Abel til Riemann: Rekontekstualisering i matematikken*.
- 2006* *17th Novembertagung*, Edinburgh (UK), November 3 to 5, 2006. Contributed paper: *Getting to know each other: The role of habituation in analysis during the early nineteenth century*.

- 2007* *PMP2007: Perspectives on Mathematical Practices*, Brussels (BE), March 26 to 28, 2007. Contributed paper: *Representations as means and ends: Representations in mathematical analysis during the first part of the nineteenth century.*
- 2007* Invited to *Internationalization of mathematics in the first part of the 20th century*, Kristiansand (NO), May 25, 2007. Contributed paper: *The International Congress of Mathematicians in Oslo 1936 and problems of international communication.*
- 2007* *13th International Congress of Logic, Methodology and Philosophy of Science*, Beijing (CN), August 9 to 15, 2007. Contributed paper: *Functions as formulae and/or concepts in the early nineteenth century.*
- 2007* *18th Novembertagung*, Bonn (DE), November 1 to 4, 2007. Contributed paper: *Meeting under the integral sign: Politics and mathematics at the 1936 ICM in Oslo.*
- 2007* *Dansk Forskning i Matematikkens History og Filosofi VI*, Holbæk (DK), November 26 to 27, 2007. Contributed paper: *Wittgenstein, Abel og funktionsbegrebet.*
- 2007 Co-organiser of *PHIS Graduate Conference 2007*, Sandbjerg (DK), December 6 to 7, 2007.
- 2008* *PhiMSAMP-3: Philosophy of Mathematics - Sociological Aspects of Mathematical Practice*, Vienna (AT), May 16 to 18, 2008. Contributed paper: *What computers do to mathematics: The emergence of a sub-discipline of experimental mathematics.*
- 2008* *First Annual Conference for the History of Science in Norway*, Oslo (NO), May 20 to 22, 2008. Contributed paper: *Meeting under the integral sign: Politics and mathematics at the 1936 International Congress of Mathematicians in Oslo.*
- 2008* *E-CAP08: 6th European Conference on Computing and Philosophy*, Montpellier (FR), June 16 to 18, 2008. Contributed paper: *What computers do to mathematics: The emergence of a sub-discipline of experimental mathematics.*
- 2008* *Sixth Joint Meeting of the BSHS, CSHPS, and HSS*, Keble College, Oxford (UK), July 4 to 6, 2008. Contributed paper: *Meeting under the integral sign: Politics and mathematics at the 1936 ICM in Oslo.*
- 2008* *Dansk Forskning i Matematikkens History og Filosofi VII*, Holbæk (DK), October 6 to 7, 2008. Contributed paper: *What's experimental about experimental mathematics?.*
- 2008* Co-organiser of *19th Novembertagung*, Holbæk (DK), November 5 to 9, 2008. Contributed paper: *Romantic Equations and the Rise of Concept-Centred Mathematics.*
- 2008* *Romanticism and Science*, DPU, Emdrup (DK), November 28, 2008. Contributed paper: *Matematik+Romantik=Ironi: Verdener skabt ud af intet* (joint with Laura Søvsø Thomasen).
- 2009* Invited to *Opstartsseminar om matematikkens videnskabsteori i gymnasiet*, Nyborg Gymnasium, Nyborg (DK), May 4, 2009. Contributed paper: *Vedkommende videnskabsteori i gymnasiets matematikundervisning.*
- 2009* *SPSP-2: Philosophy of Science in Practice*, Minnesota (US), June 18 to 20, 2009. Contributed paper: *Are proofs mathematical experiments? Are mathematical experiments proofs?.*
- 2009* Co-organiser of *Miniworkshop: History and Philosophy of Mathematical Practice*, Sandbjerg (DK), June 21 to 24, 2009. Contributed paper: *Are proofs mathematical experiments? Are mathematical experiments proofs?.*

- 2009* *XXIII International Congress of History of Science and Technology*, Budapest (HU), July 28 to August 2, 2009. Contributed paper: *“Throwing some light on the vast darkness that is Analysis”: Niels Henrik Abel’s contributions to the re-orientation of analysis in the 1820s.*
- 2009* Invited to *Abelseminaret 2009*, AbelSenteret, Gjerstad (NO), September 24 to 26, 2009. Contributed paper: *For hele Norges skyld: Et causeri om Abel og Darwin.*
- 2009* Invited to *Between Modernism and Application: Comparative Studies in the History of Early 20th Century Mathematics*, Schloss Rauischholzhausen, Frankfurt (DE), October 12 to 15, 2009. Contributed paper: *Scandinavian Mathematics Between Modernity and Applications: Applied Mathematics at Mathematical Congresses, 1900–1925.*
- 2009* Invited to *Hansteen Symposium*, Oslo (NO), October 26, 2009. Contributed paper: *Abel og Den Romantiske Matematiks Ironi: Helte, Ligninger og Begrebs-Centreret Matematik.*
- 2009* *Dansk Forskning i Matematikkens History og Filosofi VIII*, Holbæk (DK), November 2 to 3, 2009. Contributed paper: *Algebra and Analysis as Styles in Abel’s Mathematics.*
- 2009* *Second Annual Conference for the History of Science in Norway*, Tromsø (NO), November 10 to 12, 2009. Contributed paper: *Scandinavian Mathematics Between Modernity and Applications: Applied Mathematics at Mathematical Congresses, 1900–1925.*
- 2010* Organiser of *Fagligt farvel-arrangement for Kirsti Andersen*, Institut for Videnskabsstudier, Århus (DK), February 26, 2010. Contributed paper: *The use of history of mathematics among Scandinavian mathematicians, 1870-1950.*
- 2010* Invited to *Disciplines and Styles in Pure Mathematics, 1800-2000*, Mathematisches Forschungsinstitut, Oberwolfach (DE), February 28 to March 6, 2010. Contributed paper: *Experimental mathematics in the 1990s: A second loss of certainty?.*
- 2010* *Thought Experiments and Computer Simulations: Same End, Different Means?*, Paris (FR), March 11 to 13, 2010. Contributed paper: *Are proofs mathematical experiments? Are mathematical experiments proofs?.*
- 2010 Invited to *Exploring Epistemic Shifts in Computer-Based Environmental Sciences*, Department of Science Studies, Århus (DK), June 10 to 12, 2010.
- 2010* Invited to *Symposium: Forum Teologi Naturvidenskab*, Århus (DK), June 12, 2010. Contributed paper: *Aspekter af Cantors og Gödels tænkning om matematikkens begrænsninger og religion.*
- 2010* Invited to *From Practice to Results in Logic and Mathematics*, PratiScienS research group, Nancy (FR), June 21 to 23, 2010. Contributed paper: *Experimental mathematics and the notion of proof.*
- 2010* Invited to *Workshop on Explanations in Mathematics*, Aarhus (DK), August 12 to 13, 2010. Contributed paper: *Experimental Mathematics and Mathematical Explanation.*
- 2010* *NoS-workshop*, IVS og CSE, Århus (DK), October 8, 2010. Contributed paper: *Vedkommende videnskabsteori for gymnasiets matematikundervisning.*
- 2010* Invited to *21st Novembertagung*, Mainz (DE), November 3 to 7, 2010. Contributed paper: *Lost in Translation: Reading (back into) Abel’s mathematics.*
- 2010* *Dansk Forskning i Matematikkens History og Filosofi IX*, Holbæk (DK), November 10 to 11, 2010. Contributed paper: *Lost in Translation: Reading (back into) Abel’s mathematics.*

- 2010* *ESHS-4: Circulation of Science and Technology*, Barcelona (ES), November 18 to 20, 2010. Contributed paper: *Mathematics Denationalized: Scandinavian Mathematical Congresses, 1909-1925* (joint with Laura E. Turner).
- 2010* Invited to *History of History of Mathematics*, All Souls College, Oxford (UK), December 16 to 17, 2010. Contributed paper: *The use of history of mathematics among Scandinavian mathematicians, 1870–1950*.
- 2011* Invited to *Impossibility proofs in mathematics*, Paris-Diderot Philosophy of Math Seminar, Paris (FR), February 1, 2011. Contributed paper: *Impossibility proofs in mathematics during the early nineteenth century*.
- 2011* *Dansk Filosofisk Selskabs årsmøde*, Copenhagen (DK), March 4 to 5, 2011. Contributed paper: *Mellem eksperimenter, billeder og beviser: Hvordan 'eksperimentelle' matematiske resultater bliver robuste*.
- 2011* *How Science Works - and How to Teach It*, ESHS, Aarhus (DK), June 23 to 25, 2011. Contributed paper: *Making philosophy of science relevant for science students* (joint with Hanne Andersen, Matthias Heymann, Louis Klostergaard, Helge Kragh).
- 2011 Invited to *Workshop on Interdisciplinarity*, Department of Science Studies, Aarhus (DK), August 16 to 18, 2011.
- 2011 *BSHM Autumn Meeting*, Science Museum, London (UK), October 7, 2011.
- 2011* Invited to *Emigration of Mathematicians and Transmission of Mathematics: Historical Lessons and Consequences of the Third Reich*, Mathematisches Forschungsinstitut, Oberwolfach (DE), October 30 to November 5, 2011. Contributed paper: *Confluences of Agendas in Troubled Times: German Refugees and Mathematics in Denmark during the Inter-War Period*.
- 2011* *Dansk Forskning i Matematikkens History og Filosofi X*, Holbæk (DK), November 9 to 10, 2011. Contributed paper: *Confluences of Agendas in Troubled Times: German Refugees and Mathematics in Denmark during the Inter-War Period*.
- 2011 Invited to *The usefulness of epistemic tools for investigating the history of the practice of mathematics*, Sandbjerg (DK), November 28 to 30, 2011.
- 2011* *Editing Historical Mathematics*, All Souls College, Oxford (UK), December 15 to 16, 2011. Contributed paper: *What can be "Lost in Translation"? Interpreting Abel's mathematics*.

Future conferences

- 2012* Invited to *BSHM Research in Progress Meeting*, The Queen's College, Oxford (UK), March 3, 2012. Contributed paper: *What's Abelian about Abelian groups?*.
